Re: ITA Webinar Invitation – Whereabouts Matter: An Athlete’s Role in Protecting Clean Sport

Dear World Aquatics Member Federations,

As part of its efforts to ensure all World Aquatics stakeholders receive comprehensive anti-doping education, the Aquatics Integrity Unit would like to invite you, your athletes and athlete support personnel to attend the upcoming International Testing Agency (ITA) webinar on Wednesday, 15 October 2025 from 14h-15h CEST.

During this session, Anita Hartung, ITA Educator and Athlete Support Officer, and Marie-Gaëlle Pfister, Team Lead and ITA Legal Counsel, will provide an overview of the topic, along with practical insights and expert answers to your questions.

After registering for the webinar [here](#), participants will receive the link to join the webinar by email. There will also be time to answer your questions live at the end of the session. We encourage you to submit your questions in advance using the registration link by 8 October 2025.

The session will be conducted in English, with simultaneous translation available in Arabic, Spanish, French and Russian.

We kindly ask you to share this invitation with your athletes and athlete support personnel. As always, we remain at your disposal for any questions.

Respectfully yours,

Nicolò Juglair
